BOUSQUET HOLSTEIN PLLC

2020 Photography Contest

“Life During the Time of Pandemic”

Bousquet Holstein PLLC is pleased to present this year's Photography Contest Finalists. On behalf of the members and employees of our law firm, we thank each student for their entries and for sharing their vision, creativity, and photography skills. Our judges had a difficult time selecting finalists from the many entries we received, and, in this slide show, we are pleased to present the 23 finalists they selected.

The theme of this year's contest is ***Life During the Time of Pandemic***. Student photographers were encouraged to tell the story of the outward and inner impact of living during a time of social distancing, quarantine, remote learning, and economic dislocation. Many thanks to the Director and staff of the Everson Museum of Art for participating in the jury for the competition.

Bousquet Holstein PLLC is committed to our clients and to the communities in which we live and work. Our attorneys volunteer their time and lend their talents in board and leadership positions to civic, charitable, arts and education organizations supporting not-for-profit initiatives throughout the Central Upstate New York region. This year we are featuring all five of our semi-finalists on the firm's Thanksgiving card, which is mailed to more than 6,000 clients.
